**Receiving Child Development & Care Subsidies**

New legislative requirements in the Department of Human Services (DHS) Fiscal Year 2010 budget require all aide and relative care providers to complete a basic training requirement in order to become or remain eligible for state child care reimbursement.

This basic training, called the Great Start to Quality Orientation, will provide valuable information and resources to child care providers about a variety of health and safety issues.

Please see the enclosed flyer for key dates and visit [www.greatstartforkids.org](http://www.greatstartforkids.org) (click Great Start Connect) to find a training opportunity in your area.

Department of Human Services (DHS) will not discriminate against any individual or group because of race, religion, age, national origin, color, height, weight, marital status, sex, sexual orientation, gender identity or expression, political beliefs or disability. If you need help with reading, writing, hearing, etc., under the Americans with Disabilities Act, you are invited to make your needs known to a DHS office in your area.
